

# I Love You More Than Words Can Say

Karen Dalton

Please, let me sit down beside you  
I've got something to tell you, darling  
You wanna know  
I just can't wait, no not another day  
I love you more than words can say  
Yes, I do

Living without you is so painful  
I was tempted to call it a day  
You've got me in your hand  
Why can't you understand?  
I love you more than words can say  
Yes, I do

I just can't sleep  
When I lay down in my bed  
The thoughts of you linger in my head  
Without you it's so painful

I was tempted to call it a day  
You've got me in your hand  
Why can't you understand  
I love you more than words can say

Let me sit down beside you  
I've got something to tell you, darling  
You wanna know  
I just can't wait, no not another day  
I love you more than words can say  
More than words can ever say  
Yes, I do
