

Sweat

Karen Harding

(Gonna make you sweat, sweat, sweat, sweat)
(Make you sweat, sweat, sweat, sweat, woo)

I'm gonna make you sweat
Drippin' and droppin', soakin' wet
Put your body to the test
I'm gonna make you sweat now, baby
I'm gonna make you sweat
Drippin' and droppin', soakin' wet
Put your body to the test
I'm gonna make you sweat now, baby

Don't give it up, just finish strong
You know it's good, gotta keep on movin' on (Keep on movin' on)
I'll work you hard so you never stop
Give me energy, you better show me what you got

You better show me, better show me what you got, yeah
Just keep on movin', keep on movin', never stop, yeah
You better show me, better show me what you got, yeah
Just keep on movin', keep on movin', never stop, yeah

I'm gonna make you sweat
Drippin' and droppin', soakin' wet
Put your body to the test
I'm gonna make you sweat now, baby
I'm gonna make you sweat
Drippin' and droppin', soakin' wet
Put your body to the test
I'm gonna make you sweat now, baby
