Wrong Places

Karen Harding

Been looking for love
But I've been looking in all the wrong places
Me and my broken heart we've been dancing in all these dark spaces
Don't know what I'm doing wrong, what's up with my head?
Knockin' on my heart but love isn't there
All these flashing lights bodies in the crowd
I'm electrified, yeah I'm the victim now

Here I go again, wrong place, wrong time
I'm all up on you right face, wrong guy
I can't get your body off my mind
I do it every time
I do it every night

Here I go again, wrong place, wrong time
I'm all up on you right face, wrong guy
Young until we die
On the other side
Always in wrong places

Been looking for love
But I've been looking in all the wrong places
Me and my broken heart we've been dancing in all these dark spaces
Don't know what I'm doing wrong, what's up with my head
Knockin' on my heart but love isn't there
All these flashing lights bodies in the crowd
I'm electrified, yeah, I'm the victim now

Here I go again wrong place, wrong time
I'm all up on you right face, wrong guy
I can't get your body off my mind
I do it every time
I do it every night

Here I go again wrong place, wrong time
I'm all up on you right face, wrong guy
Young until we die
On the other side
Always in wrong places

Always in the wrong place the wrong time
Uh-oh, uh-oh
Always in the wrong place the wrong time

Here I go again, wrong place, wrong time
I'm all up on you right face, wrong guy
I can't get your body off my mind
I do it every time
I do it every night

Here I go again, wrong place, wrong time
I'm all up on you right face, wrong guy
Young until we die
On the other side
Always in wrong places
