

Singalong

Karen O

Almost gone
Can't be long
Till I knew, I knew
Lose control, I don't know
But I do, I do

Sing along, sing it anyway
All alone on your way home
You could be wrong, sing it anyway
Sing along your favorite song
It's an old favorite melody
It's your own, don't be long

You could be wrong, sing it anyway
Lose control
I don't know
But I do
I do
I do
I do
I do
I do
