Go all in (Go all in)
Let it rip (Let it rip)
Be something (Baby)

If you a real ass bitches then put yo hands up

If you hustlin' ass nigga, gone and stand up
We don't really give fuck about the other side
Real bitches live forever never ever die

If you a real ass bitches then put yo hands up
If you hustlin' ass nigga, gone and stand up
We don't really give fuck about the other side
Real bitches live forever never ever die

Had to separate myself, they had me fucked up
I had my own back gave myself tough love
They tried to tame my soul and duplicate my shit
Threw dirt on my name, you tried to make me quit

The earth controls the moon, the moon controls the tide
But I can't control when you niggas go and tell a lie
You won't get rid of me and I'ma tell you why
Cause I got Noni looking out for me on the otherside

Take a trip (Take a trip)
Take a sip (Take a sip)
Take a hit (Take a hit)
Feel something (Baby)
Make a wish (Make a wish)
Go all in (Go all in)
Let it rip (Let it rip)
Be something (Baby)

Take a trip (Take a trip)
Take a sip (Take a sip)
Take a hit (Take a hit)
Feel something (Baby)
Make a wish (Make a wish)
Go all in (Go all in)
Let it rip (Let it rip)
Be something (Baby)
