

Fall Afresh

Kari Jobe

Let this be a place
Where You long to come
As we make a way, for Your love

Let these hands be clean
And this heart be pure
Blameless as the Bride, You're coming for

It's the power of Your presence
That changes us
Your glory all around us
And we're undone
You open up the Heavens
And fall afresh on us

Let this be a house
Where You long to stay
Ever will You meet us, face to face

Abandoned here before You
We want nothing else
Than just to be with You, and You alone

It's the power of Your presence
That changes us
Your glory all around us
And we're undone
You open up the Heavens
And fall afresh on us

It's the power of Your presence
That changes us
Your glory all around us
And we're undone
You open up the Heavens
And fall afresh on us

Fall afresh on us

Holy Spirit... fill this heart again
Holy Spirit... burn like fire within

Holy Spirit... fill this heart again
Holy Spirit... burn like fire within

Holy Spirit... fill this heart again
Holy Spirit... burn like fire within

It's the power of Your presence
That changes us
Your glory all around us
And we're undone
You open up the Heavens
And fall afresh on us

It's the power of Your presence
That changes us

Your glory all around us
And we're undone
You open up the Heavens
And fall afresh on us

Fall afresh on us
Fall afresh on us
Fall afresh on us...
