

I Will Sing

Kari Jobe

I need to see You here
I need to know You're in control
Though my heart is torn wide open

I will trust, I will remember

I need to hear Your voice
Speaking to silence all my doubts
Your word won't return empty
You will break through every darkness

Even when my breath is weak
I will sing, I will sing
Even in my suffering
I will sing, I will sing

I need to see Your hope
Rising above my greatest fears
Even death has been defeated
I will trust, I will remember

Even when the shadows fall
I will sing, I will sing
Even when the night is long
I will sing, I will sing

Hallelujah
I surrender all to You
Hallelujah
You are God, You won't be shaken
Hallelujah
I surrender all to You
Hallelujah
You are God, You won't be shaken

I need to see You here
I need to know You're in control
Though my heart is torn wide open
I will trust, I will remember
