

Let Your Glory Fall

Kari Jobe

A longing stirs in my soul
Draws me near
Calls me close
Deeper into this love
That won't run out
Won't dry up
Oh, let it rain
Oh, let it rain

Boldly now will I come
Before Your Throne Holy one
By Your thunderous grace
Spirit flood, come flood this place
Oh, let it rain
Oh, let it rain

Let Your glory fall
Overwhelm my soul
Let Your presence flood my life, oh Lord

Deep is calling to deep
Revival's tide, breaking free
Jesus, reign in this place
Thirsty we cry, heaven invade

Let Your glory fall
Overwhelm my soul
Let Your presence flood my life, oh Lord
Break upon me now
Let Your love crash down
Let Your glory fall
Let Your glory fall

Oh, let it rain
Oh, let it rain
Oh, let it rain
Oh, let it rain
Oh, let it rain
Oh, let it rain
Oh, let it rain
Oh, let it rain

Oh, let it rain

Let Your glory fall
Overwhelm my soul
Let Your presence flood my life, oh Lord
Break upon me now
Let Your love crash down
Let Your glory fall
Let Your glory fall
