

Finally Free

Kari Kimmel

Letting my guard down
Letting it all out
Finally

No longer scared
I'm taking a chance
Letting go of my fears

I was lonely
But you gave me
A reason to fall

Showed me how to
Love and made me
Break down my walls

Now I'm finally free
Are you ready for me
'Cause I want you, I want you, I want you

I've given it all
Now I'm ready to fall
Oh I want to, I want to, I want to

Do do do
Do do do
La la la
La la la
Do do do do

Do do do
Do do do
La la la
La la la
La la la la

I'm giving up secrets
Following my dreams
For the first time

I'm taking a risk
Oh I don't wanna miss
Anything tonight

I was stuck in
Then you saved me
Brought me to life

Yea you broke me
Now I'm ready
Everything feels right

Now I'm finally free
Are you ready for me
'Cause I want you, I want you, I want you

I've given it all

Now I'm ready to fall
Oh I want to, I want to, I want to

Free falling I'm
jumping off This
is so unlike me
I don't wanna miss
Anything
I would rather take
A chance

I'm finally free
Are you ready for me
'Cause I want you, I want you, I want you

I've given it all
Now I'm ready to fall
Oh I want to, I want to, I want to

I'm finally free
Are you ready for me
'Cause I want you, I want you, I want you

I've given it all
Now I'm ready to fall
Oh I want to, I want to, I want to

Do do do
Do do do
La la la
La la la
Do do do do

Do do do
Do do do
La la la
La la la
La la la la
