

Holdin On

Kari Kimmel

You don't think that anybody knows
You keep it hid and you don't wanna show
That you're really this close
To lettin go and givin up
Never feeling like you're worth enough
But you're not alone

Cause you are loved
Yeah you are love
And I'm always on your side
Yeah you are loved [x2]
And without you, nothing ever feel right

If you're standing close to the edge
Just take a deep breathe and try to hold on
And if you're thinking that you're not worth it
You can be certain that somebody does
Just keep holdin, holdin, holdin, holdin on

You're beautiful just the way you are
So hold true to what's in your heart
Don't ever let go
I'm standing here so reach out
You can test I won't let you down
No I won't let you down

Cause you are loved
Yeah you are love
And I'm always on your side
Yeah you are loved [x2]
And without you, nothing ever feel right

If you're standing close to the edge
Just take a deep breathe and try to hold on
And if you're thinking that you're not worth it
You can be certain that somebody does
Just keep holdin, holdin, holdin,

Cause you are loved
Yeah you are love
And I'm always on your side

If you're standing close to the edge
Just take a deep breathe and try to hold on
And if you're thinking that you're not worth it
You can be certain that somebody does (someone does yeah)
Just keep holdin holdin holdin (yeah yeah)
Just keep holdin holdin holdin
Just keep holdin holdin holdin
Holdin on
