Don't Ask Me

Karise Eden

Don't make this harder than it is
Just let me go and pack my things
Don't want to talk, dont want to fight

Don't have the words to make this right

Slow
Slowly like a sinking stone
Im better off alone

So don't ask me why the love we had is over now
Don't ask me cuz the truth is going to cut you down
Don't ask me
Don't ask me
Cuz I don't know

So don't ask me how I feel about you now

It's like a beauty you just can't see
Stuck in a place you just can't be
Always failing in your eyes
so this should come as no surprise

Slow
Slowly like a sinking stone
Im better off alone...

So don't ask me why the love we had is over now
Don't ask me cuz the truth is going to cut you down
Don't ask me
Don't ask me
Cuz I don't know

So don't ask me how I feel about you now

Don't. Don't ask me. Don't.
Don't ask me, don't ask me.
Don't ask me. Don't ask me.
Don't.

So don't ask me why the love we had is over now.
Don't ask me because the truth is going to cut you down
Don't ask me, don't ask me
Cuz I don't know

So don't ask me how I feel about you now
Don't ask.
