

# Belly Dancer

Karl Wolf

Oh, if your body feelin' good don't go slow,  
'Cause you're dancin' for me like you're loco,  
Say whoa, whoa

Ladies belly dance to my song,

Excuse me miss, you're fly,  
But I gotta take control o' this,  
So rise under cease and desist,  
Or ride how we're doin' tonight, we're doin' tonight,

Yeah,  
Come on,  
I promise 'em the best,  
I'll teach it to you with a little style and finesse,  
And we go hard, and then we go rest,  
And now I'm about to fall in love,

DJ I need your attention,  
Listen up keep it heavy and a little lower in to,  
Whoa,  
Ladies belly dance to my song,

Let me show you another way,  
So shawty turn around,  
And jump on and ladies belly dance to my song,

'Cause tonight we do my way,  
You my belly dancer,  
Dancer  
Ladies belly dance to my song,

If your body feelin' good don't go slow,  
'Cause you're dancin' for me like you're loco,  
Say whoa, whoa

Ladies belly dance to my song,

Girl, you want me go get it,  
As if you was in front o' your mirror babe,  
Forget about the whole world,  
Just focus on me and you,

Imagine as if you're on video,  
Lights camera action, come on let's go,  
I'm 'bout to fall in love with you,

DJ I need your attention,  
Listen up keep it heavy and a little lower in to,  
Whoa,  
Ladies belly dance to my song,

Let me show you another way,  
So shawty turn around,  
And jump on and ladies belly dance to my song,

'Cause tonight we do my way,

You my belly dancer,  
Dancer  
Ladies belly dance to my song,

If your body feelin' good don't go slow,  
'Cause you're dancin' for me like you're loco,  
Say whoa, whoa

Hey baby stop your fussin',  
Say color's with your frontin',  
Do the belly dance,  
Show me your belly button,

Keep your waistline moving to the baseline,  
Take her to my flat, make her give me face time,

She came to my knee, best believe my chick hater,  
I gave her one vote,  
She made me her dictator,

She see my cane hand, she saying I'm the man,  
And that's how she know about the chain of command,

DJ I need your attention,  
Listen up keep it heavy and a little lower in to,  
Whoa, hey hey hey hey  
Ladies belly dance to my song,

Let me show you another way,  
So shawty turn around,  
And jump on and ladies belly dance to my song,

'Cause tonight we do my way,

Dancer  
Ladies belly dance to my song,

If your body feelin' good don't go slow,  
'Cause you're dancin' for me like you're loco,
