They wanted me to fall
And they said that I would be nothing
They prayed I dropped the ball
But I'm no player on the break, I'm running

Manifest it all, talked about a vision
All those lonely nights in Montreal
Lower for the wall, they set me up for failure
But I kept it moving, mmh

On the way to run it all
And I know it inside myself, yeah
I'ma show it to the world
And I owe it all to myself

I'ma do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
Do it
I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody
Do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
Ay, I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody else

I knew I had the sauce
But as an immigrant, I was a factor
They would view me as a fraud, fraud
But I believed in me and that's what matters

I just felt it all, talked about a vision
All those lonely nights in Montreal
Lower for the wall, they set me up for failure
But I kept it moving, mmh

On the way to run it all
And I know it inside myself, yeah
I'ma show it to the world
And I owe it all to myself

I'ma do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
Do it
I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody
Do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
Ay, I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody else

I'ma doing it, doing it
I'm pursuing, pursuing it
I'ma proving it, proving it
Yeah, I'ma do it myself
I'ma doing it, doing it

I'm pursuing, pursuing it
Yeah, I'ma proving it, proving it
Yeah, I'ma do it myself
I'm doing it, doing it
I'm pursuing, pursuing it
I'ma proving it, proving it
Yeah, I'ma do it myself, what

I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody
Do it, do it, do it, do it, do it, do it
I'ma do it, do it, do it, do it, do it, do it
Ay, I'ma do it all myself
'Cause fuck it, I ain't ever need nobody, I ain't ever need nobody else
