

Hollow Girl

Karl Wolf

Temper Temper Missy she gets mad
Once attention stabs her in the sould
Cause man we're hun first and monsters last
Hollow Girl, I wish you better
Hollow Girl, Forever

She started off as being passive Wish
I knew the bats she would go on to produce on me
There was something wrong
Was clouded, Once rain touched her texture Stop
Wining, could I be the one to blame
She was like abstract art

Step 1, make sure you read the lines
Trouble seldom rewinds
Step 2, watch out for mines
And if miss thing acts up in hate
Ditch quick, reverse your fate
Allow me to introduce to you

It's ring time
Never never surrender, bet's on you
And cheddar fall off a tree
Drag me outside her store
I'm blinded by infactuation
Stopped smiling
Securty abandoned me
Sharks began to feed!
