

# Hurting

Karl Wolf

Take... a look around me I wanted you to stay (ay-ay-ay)  
Pain... Right at the bottom can't recognize my face (face-face-face)  
Faith... thought we would last  
You closed the book and turned the pages (pages-pages-pages)  
Sssstay... I don't know why It's got to be this way (Way-way-way)  
Do you know... that I'm hurting?

All I ever really needed was some space  
I needed some room to breath  
Break from this bad energy  
I made a mistake and I know I messed up  
Girl I know you got my text message so just call

Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
You'd think I'm over you know girl you're the baddest  
Even though I'm in love you had to change my status  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me

Take... every thing I own don't want it anymore(more-more-more)  
Pain... can't even rest you got me sleeping me on the floor(floor-floor-floor)  
Faith... we were the ones we did it all for the ages (ages-ages-ages)  
Sssstay... I don't know why it's got to be this way(way-way-way)  
Do you know that I...

Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
You'd think I'm over you know girl you're the baddest  
Even though I'm in love you had to change my status  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me

(Yes... yeah Sway bring the U.K up with this)

Listen... It ain't true not all men are dogs  
But women think that shit to their menopause  
I ain't a playa I swear on my paws;  
I wish we could rewind the time and pause  
Word up Carla I love dem clothes  
I'm a London boy with a love that talks  
I'm crushed like I'm on the floor  
When she's headed for the door  
And I am headed for the floor  
And you don't tell me you  
Don't wanna wear them clothes  
(Coz I'm hurting...)

Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
You'd think I'm over you know girl you're the baddest  
Even though I'm in love you had to change my status  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)

So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me  
Cause I'm hurting(hurting) I'm hurting(hurting) I'm hurting(hurting)  
So girl just come back to me
