

# Illusion

Karl Wolf

Don't know what I'm doing here  
Taking in the bottle  
Just another step and I'm through the door  
The faint of heart  
Doesn't earn your love  
I'm drunk on your sex and I'm fading

Whoh

Not here for love but she here to party  
That kinda girl  
She bathroom stall crazy  
Don Escobar baby  
Nobody can to save me  
I'm swimming I'm wavy  
Ohh  
I'm fucked up now

As know you are  
She's all over me  
But it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion

I see what you're doing here  
Call it what you wanna  
I'm not gonna play this game no more  
A handcuffed mind with no self control  
You're fatal but still you're my baby

Whoh

Not here for love but she here to party  
That kinda girl  
She bathroom stall crazy  
Don Escobar baby  
Nobody can to save me  
I'm swimming I'm wavy  
Ohh  
I'm fucked up now

As know you are  
She's all over me  
But it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Whoh

I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion

Yeah, she moved on now so I can't go back  
No I can go back cause she moved on now  
Yeah, she moved on now so I can't go back  
And she got no love no love no love for you

Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Whoh  
I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion  
I thought it was magic  
Oh no no but it's only an illusion  
Oh no no but it's only an illusion

Illusion
