Love

Karl Wolf

Ooooh, ooooh!
I remember a time when there was peace
There was love (love, love, love, love)
I remember a time when there was peace
There was love (love, love, love, love)

Is it my time? Gotta go
I wish I can go back in time (in time)
Cause I wanna be the one to give it all I got (all I got)
And the soldiers around
And the pimps are whizzing by (whizzing by)
And my home is damaged

And I hope you don't see
What I seen with my eyes
I hope you don't feel, what I felt to my life
When kids aren't afraid to aim high and think big
Cause they're living everyday by day
So it got me thinkin

I remember a time when there was peace
There was love (love, love, love, love)
I remember a time when there was peace
There was love (love, love, love, love)
We used to laugh and we used to smile
Feelin this world was paradise
I remember a time when there was peace
There was love (love, love, love, love)

Now I try for the world
To show people that we care
If we can make it here, we make it anywhere
Some days we work fast
Some days we will hit the ground
But I'm stronger now, im still around

Pre-Chorus:
And I hope you don't see
What I seen with my eyes
I hope you don't feel, what I felt to my life
When kids aren't afraid to aim high and think big
Cause they're living everyday by day
So it got me thinkin

I remember a time when there was peace
There was love (love, love, love, love)
I remember a time when there was peace
There was love (love, love, love, love)
We used to laugh and we used to smile
Feelin this world was paradise
I remember a time when there was peace
There was love (love, love, love, love)

You went out with a bang
And went walking away
Together we can change, for the right
And you know, and you know, and you know it..

I remember a time when there was peace
There was love (love, love, love, love)
I remember a time when there was peace
There was love (love, love, love, love)
We used to laugh and we used to smile
Feelin this world was paradise
I remember a time when there was peace
There was love (love, love, love, love)
