

Only Tonight

Karl Wolf

She's solo
Don't fall in love she's focused on that promo
Yeah
But I still got bro code
She'll swallow you and spit you out in slow-mo
Slow-mo

Feeling like a rockstar
She got groupies tryna hit
These mandem looking fucking goofy
On her shit
All the single ladies say "I'm so done"
Girls just wanna have fun!
Found the girl of my dreams but turns around and tells me "you've got..."

Only tonight, babe
(Bring it back)
Only tonight, babe
(I still want it)
Only tonight, babe
(Bring it back)
Only tonight, babe
(You've got...)
Only tonight, babe
(Bring it back)
Only tonight, babe
(I still want it)
Only tonight, babe
(Bring it back)
Only tonight, babe

Oh no
This girl don't fall in love she's focused on that promo
I'm making bad decisions, but I still got bro code
She wild though, her girl is feeling that fomo
I'm about to hit it like polo
To get, to get in my mojo

Feeling like a rockstar
She got groupies tryna hit
These mandem looking fucking goofy
On her shit
All the single ladies say "I'm so done"
Girls just wanna have fun!
Found the girl of my dreams but turns around and tells me "you've got..."

Only tonight, babe
(Bring it back)
Only tonight, babe
(I still want it)
Only tonight, babe

Only tonight, babe
(You've got...)
Only tonight, babe

Only tonight, babe
(Bring it back)
