

# Oxygen

Karl Wolf

Driving down Sunset  
Symbolizing all our dreams  
I'm thinking 'bout you  
You said that you would never leave me

You're living your life  
And I'm picking up the pieces  
Respect is lost

There's nothing left  
No oxygen for me now  
There's nothing left  
No oxygen for me now

No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now

I'm feeling so hopeless  
Not thriving in my own world  
Just look around you  
They shut us down, we'll never be free

You're living your life  
And I'm picking up the pieces  
Respect is lost

There's nothing left  
No oxygen for me now  
There's nothing left  
No oxygen for me now

No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now  
No oxygen  
No oxygen  
For me now
