

Right Time

Karl Wolf

Waiting for the right time
Waiting for the right time

Driving down Sunset
Feeling so hopeless
I'm thinking about you
Just look around you
You're living your life
And I am picking up the pieces
Driving down Sunset
Waiting for the right time
Waiting for the right time
Waiting for the right time

Feeling so hopeless
Driving down Sunset
I'm thinking about you
Just look around you
You're living your life
And I am picking up the pieces
Driving down Sunset
Waiting for the right time
Waiting for the right time
Waiting for the right time
