

Waiting for a Star to Fall

Karl Wolf

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

I hear your name whispered on the wind
It's a sound that makes me cry
I hear a song blow again and again
Through my mind and I don't know why
I wish I didn't feel so strong about you
Like happiness and love revolve around you
Trying to catch your heart
Is like trying to catch a star
So many people love you baby
That must be what you are

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

I've learned to feel what I cannot see
But with you I lose that vision
I don't know how to dream your dream
So I'm all caught up in superstition
I want to reach out and pull you to me
Who says I should let a wild one go free
Trying to catch your heart
Is like trying to catch a star
But I can't love you this much baby
And love you from this far

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

I don't like waiting (I'll wait for you...)
Seems like waiting (I'll wait for you...)
It's so hard waiting (don't be too long...)
Seems like waiting (makes me love you even more...)

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms (That's where you belong)

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah
Waiting

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah
Oh uh oh uh oh uh oh

Waiting for a star to fall
And carry your heart into my arms
That's where you belong
In my arms baby, yeah

Waiting, waiting, waiting
Waiting, oh yeah
Waiting, waiting, waiting
Waiting, waiting, waiting
Waiting
