(Karl Wolf and Super Sako!)

Yeah

(Fito Blanco!)

Yeah, whoa

I wanna get to know ya, when you coming over?  
I like you tipsy but I love it when you're sober  
We could do it fast or we could take it slower  
Make ya roll back, make ya lose control  
We could hit the long game, we sexing pora noches  
Switching up the time zone, tipping in my Rolex  
Sushi in Japan, only 'cause we roleplay  
Can you say "Okay, okay, okay"

Skip around the world with my lady yeah  
Going down under, Australia  
Bless the rains down in Africa  
One night and together the rest of our lives, oh

I don't care if it's "Sí papi"  
In Paris saying "Oui, oui, oui"  
Even if you talk Swahili  
Just wanna hear you say yes  
I don't care if it's "Ja, ja, ja"  
Russian you like "Da, da, da"  
Even if you speak with your body  
Just wanna hear you say yes

Habibi, habibi  
Dime que sí, dime que sí baby girl, ah  
Habibi, habibi  
Just wanna hear you say yes  
Habibi, habibi  
Tú sabes que te quiero hacer mi girl, ah  
Habibi, habibi  
(Just wanna hear you say yes)

My Hennessy dreams came true  
Don't worry 'bout me baby, worry 'bout you  
Don't worry what I'm doing, when I do what I do  
'Cause I been getting to the money since high school, ooh  
You don't wanna see me get super psycho  
My girl look good and she good for life though  
Man, I ain't met somebody like you  
But I'm a lost cause when I can't find you

Just tell me yes, I'll be on my way  
I know what you been thinking when I'm far away  
I know you're feeling lonely when you're all alone  
But baby don't you worry I'll be coming home

I don't care if it's "Sí papi"  
In Paris saying "Oui, oui, oui"  
Even if you talk Swahili  
Just wanna hear you say yes  
(Don't say no)  
I don't care if it's "Ja, ja, ja"

Russian you like "Da, da, da"  
Even if you speak with your body

Habibi, habibi  
Dime que sí, dime que sí baby girl, ah  
Habibi, habibi  
Just wanna hear you say yes  
Habibi, habibi  
Tú sabes que te quiero hacer mi girl, ah  
Habibi, habibi  
(Just wanna hear you say yes)

Quiero que me diga "Yeah, yeah, yeah"  
No quiero que diga "No, no, no"  
Quiero regalarte amor y pasión  
Déjate llevar en la tentación  
Y nos vamos de aquí, dime que sí  
Sé que te gusta la comida en Italia  
Y la moda en París, dime que sí  
Tu cuerpo no sabe mentir

Cuando me bailas como una diosa  
Tú eres poderosa  
Sí te preguntó, dámelo, dámelo, dámelo

Sí te preguntó dámelo, dámelo, dámelo  
No me digas que no
