

# Can't Live

Karmin

After all you did to me  
You left me standing in debris  
But yeah, I'd take you back  
You know I always take you back  
Had the heart to let you go  
But now it's strictly physical  
And knocking at my door  
Getting harder to ignore

Where's the referee to blow the whistle? Please  
Stop this cruelty, cause I won't leave here without you, no

Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby, oh  
Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby

Heard a whisper 'cross the town  
The news about us gets around  
But I'm alone with you  
So there's nothing I can do  
Right and wrong is blurry now  
My friends have gone, I'm blacking out  
The most that I can take  
Is right before I break

Where's the referee to blow the whistle? Please  
Stop this cruelty cause I won't leave here without you, no

Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby, oh  
Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby

Stupid-ass lies, stupid-ass pain  
This is my fight, this is my shame  
Knew you were mine, as soon as I got a taste  
Stupid-ass lies, stupid-ass pain  
This is my fight, this is my shame  
Now that I know, I know that I'm not alone

Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby, oh  
Even though I watched you go crazy  
You can't live without me, baby  
You can't live without me, baby

Even though I watched you go crazy  
(Stupid-ass lies, stupid-ass pain)  
Even though I watched you go crazy  
(This is my fight, this is my shame)  
Even though I watched you go crazy

(Now that I know, I know that I'm not alone)  
Even though I watched you go crazy
