Nobody on the road Nobody on the beach I feel it in the air The summer's out of reach Empty lake, empty streets The sun goes down alone I'm drivin' by your house Though I know you're not at home

But I can see you-Your brown skin shinin' in the sun You got your hair combed back and your sunglasses on, baby And I can tell you my love for you will still be strong After the boys of summer have gone

I never will forget those nights I wonder if it was a dream Remember how you made me crazy? Remember how I made you scream Now I don't understand what happened to our love But babe, I'm gonna get you back I'm gonna show you what I'm made of

I can see you-Your brown skin shinin' in the sun I see you walkin' real slow and you're smilin' at everyone I can tell you my love for you will still be strong After the boys of summer have gone
