

## Secret Rendezvous

Karyn White

Happiness is when I, I think of you,  
And we'll be gettin' together for a rendez-vous,  
I'll be on time, you bring the wine,  
And when we lock the door, you'll be all mine...  
Alone in my room, thoughts of you in my head as I wait...  
The time is soon, you'll arrive, together then,  
We'll escape into the night on wings of love,  
And do the things that we onced dreamed of...  
All aboard a luxury, a first class ticket to ecstasy...

It won't stop! It don't stop! A non-stop secret rendez-vous!  
It won't stop! It don't stop! A non-stop secret rendez-vous!  
Hey, hey, hey! Oh, oh, oh!

From a penthouse view, we'll make love, drink champagne by the  
candlelight...  
I'm so glad I'm in your arms, baby I am yours tonight!  
To be with you is all I need, so lock the door and throw away t  
he key!  
No one will disturb this groove, we could not stop it if we wan  
ted to!

It won't stop! It don't stop! A non-stop secret rendez-vous!  
It won't stop! It don't stop! A non-stop secret rendez-vous!  
Hey, hey, hey! Oh, oh, oh!  
Secret rendez-vous!

Happiness is when I, I think of you,  
And we'll be gettin' together for a rendez-vous...  
I'll be on time, you bring the wine,  
And when we lock the door, you'll be all mine...

I want you! Do you want me? We're gon' lock the door, throw awa  
y the key, ecstasy, yeah!  
(It won't stop!) No, (It don't stop!) Baby!  
(A non-stop secret rendez-vous!)  
(It won't stop! It don't stop!) I just wanna be with you...  
(A non-stop secret rendez-vous!)  
(Oh-oo-oh! Oh-oh-oo-oh! Oh-oo-oh! Secret rendez-vous!)

I wanna rendez-vous by the candlelight,  
I wanna hug and squeeze you through the night...  
So lock the door, throw away the key, ecstasy!  
I can't let no one disturb this groove, I couldn't stop it if I  
wanted to,  
It's you for me, and me for you in a secret rendez-vous!
