

# Call

Kasabian

I love it when you call, it makes no sense at all  
I lie in bed awake and my whole body shake  
Come on and make your move, there's nothing left to prove  
Oh, baby, won't you stay every night, every day?

Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
Ay-ay-ay  
No one could love me this way  
Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
Ay-ay-ay  
No one could love me this-

Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
No one could love me this way  
Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
Ay-ay-ay, yeah  
No one could love me this way

Woo, woo, woo  
Huh  
Yeah  
Crush it  
Eh, oh  
Ah  
Eh, oh

I love it when you call, it makes no sense at all  
I lie in bed awake and my whole body shake  
Come on and make your move, there's nothing left to prove  
Oh, baby, won't you stay every night, every day?

Ay-ay-ay, yeah
