

Bleed It Out

Kasbo

I'm wise, because I've been foolish
I'm strong, because I've been weak
They talk, but I keep dreamin'
And I don't get what to resist

I can't see why, why, why
I can't see why, yeah
Why not to let go?
Why not to bleed it out?
Won't bide my time, yeah
No I'ma let go
I'm gonna bleed it out

Won't bide my

I've sketched while I wasn't in hours
I broke because our love hurt
What's bound to break by break, just to break again
No, I don't get what to resist

I can't see why, why, why
I can't see why, yeah
Why not to let go?
Why not to bleed it out?
Won't bide my time, yeah
No I'ma let go
I'm gonna bleed it out, bleed it out

(Why not to let go?)
(Why not to bleed it out?)
Won't bide my
I can't see why
Why not to let go?
Why not to bleed it out?
Won't bide my time, yeah
No I'ma let go
I'm gonna bleed it out
