

Call

Kasbo

Don't you wanna kiss me
I'mma put you on
All the silly girls you play
Ain't on the level I'm on
I'mma do it different
And show you what you like
Call me an investment
You'll be satisfied for life

I can and I will
Take you places where you'll never go
I can and I will
Keep going until you explode
I can and I will
Get your addicted to my every touch
I can and I will

Won't you say my name
Say me from your mouth
Won't you say my name
Tell me from your lips
Won't you say my name
Won't you say my name
Won't you say my name
Won't you say my name, baby
Won't you say my name, baby
Won't you say my name
Won't you say my name
Won't you say my name
Won't you say my name, baby
Won't you say my name, baby
Say my name baby

Don't get it twisted
Or look at me with those eyes
Do what your told and undress
I'm about to change your life
I know I'm not a princess
I'm a queen in my own right
So it's within your interests to satisfy me right

I can and I will
Take you places where you'll never go
I can and I will
Keep going until you explode
I can and I will
Get your addicted to my every touch
I can and I will

As soon as I get hold of you
There will be nothing you can do
To stop you screaming out my name
Don't ask the lord you can't be saved
Cause when I got you in my clutch
Swear enduring to my touch
Gonna make you say my name

Won't you say my name
Say me from your mouth
Won't you say my name
Tell me from your lips
Won't you say my name
Won't you say my name
Won't you say my name
Won't you say my name, baby
Won't you say my name, baby
Won't you say my name
Won't you say my name
Won't you say my name
Won't you say my name, baby
Won't you say my name, baby
Say my name baby
