

Found You

Kasbo

Late nights, I want this forever
Too lost to not be together, oh oh whoa
High rides, never felt so me
Been this but I never been so free, oh oh whoa

So much we're dying for
Never thought I'd find more
I didn't have to, but I'm so glad I found you
Pulling home me's okay
Take all that's mine to take
I didn't have to, but I'm so glad I found you

(Didn't have to)

So loud, I want this forever
Live fast and die hard together, oh oh whoa
Move with the water I move to
Too high to ever come off of you, oh oh whoa

So much we're dying for
Never thought that I'd find more
I didn't have to, but I'm so glad I found you
Pulling home me's okay
Take all that's mine to take
I didn't have to, but I'm so glad I found you

Glad I found you
Glad I, glad I found you

(I didn't have to but I'm so glad I found you)
(I didn't have to but I'm so glad I found you)
