Kasey Chambers

Crossfire doesn't burn you It only hurts when it gets you in the heart If you don't hate me, you'll learn to I thought I had it clear from the start I don't have a heart

I call my baby just to hang up on the phone I take a rain check and I never ever check the rain I leave the carton out for hours on summer days I took a course on how to break the most hearts

Crossfire doesn't burn you It only hurts when it gets you in the heart If you don't hate me, you'll learn to I thought I had it clear from the start I don't have a heart
