

Poppa Bill Says

Kasey Chambers

Well, come on everybody, won't you gather around?
Poppa Bill's back and he's comin' to town
He got a new game, everybody can play
Poppa Bill says, just do what I say
Clap ya hands, clap ya hands
Well, if you don't know what to do
I'm gonna show you
Clap ya hands
Well, come on everybody there's a party tonight
Poppa Bill's back and he's feelin' alright
Get up on your feet, just loosen your knees
Poppa Bill says, just listen to me
Stomp ya feet, stomp ya feet
Well, if you don't know what to do
I'm gonna show you
Stomp ya feet
Well, sing it everybody, we can knock on wood
A Mustang Sally and a Johnny B Goode
Poppa Bill's playin' like a ringin' a bell
Go, Poppa, go, go, go
Play guitar, play guitar
Well, if you don't know what to do
I'm gonna show you
Play guitar
Play it, dad
Touch ya nose, touch ya toes
Turn around, do the twist
Shake a leg, shake ya tush
Well, if you don't know what to do
I'm gonna show you
How to walk the dog, 'Jeremiah Was A Bullfrog'
'Splish Splash', 'Jumping Jack Flash'
That's the end
