

# Runaway Train

Kasey Chambers

I'm gonna take you down to the railway line  
I'm gonna take you down to the railway line  
I'm gonna take ya where your heart won't break ya  
And the water tastes like wine  
I'm gonna take you down to the railway line

We won't take money, we won't take the long way round  
We won't take money, we won't take the long way round  
We won't take money, we'll live off honey  
When the train goes underground  
We won't take money, we won't take the long way round

I'll drive faster  
You'll hold tighter  
I'll get wild  
You'll get wilder  
I'll make thunder  
You'll make rain  
We'll go down to the railway train

Clear that track we're coming on down the line  
Clear that track we're coming on down the line  
Clear that track they won't take us back  
They can stick it where the sun don't shine  
Clear that track we're coming on down the line
