

Saturated

Kasey Chambers

I've been acting, high and mighty
It's just the liar here inside me
it's complicated but so sincere
I'm saturated from living in here

I never wanted anything but a record and a band
I never wanted anything I didn't understand

I should've known better
I should've broke free
I should've known better
There aint no guarantees

It shattered slowly
It's broken through
I should've known better
Than to let myself fall for you

I've been paying less attention
It's hard to have the best intention
It's complicated but so sincere
I'm saturated from living in here

I never wanted anything but a house to call a home
I never wanted anything but to never be alone.
