

Somewhere

Kasey Chambers

Somewhere there is somebody
Looking for the one they love
Somewhere there is somebody
Looking to the sky above

Somewhere a tear is falling
For a broken heart
Somewhere a voice is calling
"I'm falling apart"

And I'm all cried out
Yeah, I'm all cried out

Somewhere there is somebody
Waiting for the day to come
Somewhere there is somebody
On the wrong end of a gun

Somewhere a word is spoken
Meant so unkind
And somewhere a promise is broken
For the hundredth time

And I'm all cried out
Yeah, I'm all cried out

Somewhere there is somebody
Praying down upon their knees
Somewhere there is somebody
Begging, "Baby, come back, please"

Somewhere in a far off land
There's hope in their eyes
And somewhere God takes a man
With no reason why

And I'm all cried out
Yeah, I'm all cried out
And I'm all cried out
