

# We're All Gonna Die Someday

Kasey Chambers

We're all gonna die someday lord  
We're all gonna die someday  
Mama's on pills daddy's over the hill  
But we're all gonna die someday  
Well it hurts down here on Earth lord  
It hurts down here on Earth  
It hurts down here cause we're running out of beer  
But we're all gonna die someday

We're all gonna die someday lord  
We're all gonna die someday  
Mama's on pills daddy's over the hill  
But we're all gonna die someday

Well all of my friends are stonned lord  
All of my friends are stonned  
Janie got stonned cause she couldn't get boned  
But we're all gonna die someday

We're all gonna die someday lord  
We're all gonna die someday  
Mama's on pills daddy's over the hill  
But we're all gonna die someday

Well they can all kiss my ass lord  
They can all kiss my ass  
If they want to kiss my ass well they better make it fast  
'Cos we're all gonna die someday

We're all gonna die someday lord  
We're all gonna die someday  
Mama's on pills daddy's over the hill  
But we're all gonna die someday

I say

We're all gonna die someday lord  
We're all gonna die someday  
Mama's on pills daddy's over the hill  
But we're all gonna die someday
