HEAVY

Kash Doll

Let's talk heavy
These are Grammy-award-winning vocals you hearin'
The price of a DJ Drama mixtape these days? (Damn, Dooder, you made this?)
Know what it cost is cold like the D in the winter
You better off at the MGM tryin' your hand at the casino
(Damn, Dooder, you made this?)
Kash Doll, holla at 'em

I just lost the keys to the double-R inside my mansion
Fuck it, sold the whole truck, went and bought a Lam'
What I charge for a walk-through, don't wanna know the tab
Okay, twenty bands today, I think I wanna brag
Birkin cost a hundred, only right I put the same in it
Ten-car garage, ain't nowhere to park my Range in it
Bitches wakin' up in the morning to these lame niggas
Y'all mamas need to beat y'all ass, I was raised different
Saint Laurent down on the PJ, we in Paris
I took vegan literal, my necklace full of carats
I just lost a twenty in Caruso bein' careless
A ten-ball allowance money, you should be embarrassed

This Cuban 'round my neck so heavy
Every time I clock in, I'm lookin' at my presi'
I just made a hundred chillin' in the crib restin'
If you can't walk on water, you can't do shit to impress me
Bitch, I'm too grown to make some new friends
Same-day Kash, I don't tie up loose ends
You was park enforcers, I just parked a new Benz
My neck a whole TikTok, it got a new dance

Cuban on my neck, it weigh a ton
You can't really name a nigga fuckin' with me, it ain't none
I been grindin' all my life, but at this point, I'm havin' fun
Drive that bitch like I ain't never had shit, I'm from the slums (I'm from t
he ghetto, bitch), yeah
Sixty-two to one-twenty-
five, it's jumpin' out the pot (Yeah, it's jumpin' out the pot)
I ain't do no CPN shit, it came right off the lot (I'm cashin' out, bitch)
Sippin' Wocky in a cotton candy, now I got cottonmouth (My mouth dry)
In an oldie with the candy paint, it came from down South (Atlanta)
Rollie anniversary dial (Okay), Nick Cannon, I'm wildin' out (I'm out)
Stayin' away from sucker shit, that shit spread like word of mouth (Sucker s
hit)
Lot of people ain't never seen my face, but bet they heard about me (I know
they heard about me)
I be cool, but let a nigga play, bet somethin' get hurt about it (Yeah)
Early bird get the worm (I'm up), I get thirty to perform (Yeah)
Used to hustle in the cold (Uh-huh), ain't got nothin' for no ho
Yeah, I'm stickin' to the code, gettin' money, that's all we know (That's al
l we know, that's all we know)

This Cuban 'round my neck so heavy
Every time I clock in, I'm lookin' at my presi'
I just made a hundred chillin' in the crib restin'
If you can't walk on water, you can't do shit to impress me
Bitch, I'm too grown to make some new friends
Same-day Kash, I don't tie up loose ends

You was park enforcers, I just parked a new Benz
My neck a whole TikTok, it got a new dance (Gangsta Grizzillz)

See, me and Kash Doll out here blowin' money fast
