Kash Doll

Aye, look  
Big body, jumpin' lanes, bitch, move it  
Move, bitch  
Lights jumpin' off my wrist, shit movin'  
Fifty deep, case a bitch jump stupid

Jumpin' in and out of planes, need a parachute  
Steppin' on these bitches toes, like a pair of shoes  
Bitch  
Gettin' paid, while you bitches still payin' dues  
Put that little paper up, 'fore I embarrass you  
That's right  
Put that little paper up, 'fore I embarrass you  
Put it up  
Put that little paper up, 'fore I embarrass you  
Put that shit up  
Tear drop diamonds, only time I'm in my feelings  
She think she eatin'?  
What?  
"No thanks" is what it's giving  
Bitches never leave the casa, still takin' shots  
I'm forever D, never leave the block  
Never leave the block  
I'm forever D, never leave the block  
I'm forever D, never leave the block
