Checked my phone, I told bitches I'm comin' over (Huh)  
Then you go in your car and you tried to run me over

I'm leavin', give me the keys, keep everything that I bought (Thing that bought)  
Why you standin' by the door? (Huh, huh)  
I'm happy I found my phone, you broke it unless I called, ooh (What you doin'?)  
Why you goin' in that drawer? (Huh)
