Keep it one hundred with your crew, don't never shit on your day ones
Keep that pussy right and tight, don't have no baby by no bluff
Stay flexing on these bitches in the suburbs or the slums
Cause I slay everyday, and I do this shit for fun
Don't let him drive you crazy if that motherfucker walking
And you know that he ain't got it if he doing too much talking
A broke bitch will always try to play you like you tripping
If she ain't eating how you eating then that ain't no competition

Never be afraid to get your own and be your boss
You will never be successful if you never took a loss
Any bitch that ever hated on you, know you got that sauce
Say you on your healthy shit, you got a salad saving sauce
And I ain't met another chick yet, that can top me
I flex on these bitches time after time, Cyndi Lauper
A nigga gotta keep me in exclusives I'm a shopper
And if I can't have it my way I'ma spazz and re-rob her
I pull up in a Mazzi just to drop off a deposit
Money ain't everything to a nigga who ain't got it
Cut it, bag it, stuff it, ship it, break it down and lock it
By any means if I want it, then daddy he better cop it
The people fucking with me, you can tell I got them bars
I mean, you see these fucking diamonds you can tell that I'm a star
Got triple zeros interlocked, is the emblem on my car
I kill these bitches then give 'em they life, CPR

Don't fuck nothing that never fucked your bitch
No basic ass bitches in your clique
That silver Chanel grain cast skin
