

# Breaking Up

Kaskade

If my heart becomes complacent  
I'm hoping that you would break it  
To receive means more if you don't have  
I will never know what you'd say  
If I asked you not to run away  
Cause leaving doesn't seem so sad if you don't go

Am I breaking up? Am I breaking up?  
Am I breaking up? Am I breaking up?

What if nothing came between us?  
How could anything complete us?  
Cause emptiness is such a bore  
When you don't have

Am I breaking up? Am I breaking up?  
Am I breaking up? Am I breaking up?
