Kaskade

I wanna love deeper, deeper
Than fire and earth can go
I wanna know you deeper, deeper
Darkest desires unknown
Go on, find someone to love you shallow
No one will love you deeper

Weightless, weightless
Back to the water the river runs
Weightless, weightless

I wanna go deeper, deeper
Than fire and earth can go
I wanna know you deeper, deeper
Darkest desires unknown
Go on, find someone to love you shallow
No one will love you deeper

Ooh, ooh
Ooh, ooh
Ooh, ooh
Ooh, ooh
Deeper
