Selling jammies when them Grammy Rappers chanting and cheer
Selling more than all of y'all without a record in years
My catalog got a long list of hits in the stores
And for you sample happy suckers out there breaking the laws
Rather hit you when it gets you, bring you up on a charge
You'd be better just to let your lawyer know from the start
The King of Rock, who?
Can be my hobby and job
And when I come and bring the ruckus
suckers duck and then dodge
The King of Rock, what?
