

# Fun

## Kaskade

I wanna go out  
Dress up real nice and find someone  
Who's ready to run  
But, most of all  
I wanna have some fun  
I wanna have some fun  
I wanna have some fun  
I wanna have some fun, fun, fun  
I wanna have some

I wanna have some fun

I wanna have some fun  
Fun, fun, fun

I wanna go out (I wanna go out)  
Dress up real nice (Dress up real nice)  
And find someone (And find someone)  
Who's ready to run (Who's ready to run)  
But, most of all  
I wanna have some fun  
I wanna have some fun  
I wanna have some fun  
I wanna have some fun, fun, fun  
I wanna have some fun, fun, fun...  
I wanna have some fun, fun...  
I wanna have some fun

I wanna have some fun  
I wanna have some... fun, fun, fun...  
I wanna have some fun
