

Give It Back

Kaskade

Give it back
Give it back, oh
Give it back
Give it back, oh
Give it back

I gave you my hand
To hold it
My broken heart
Just hold it
Gave you my hand
To fold it
I gave you my hand
Give it back

Give it back
Give it back
Give it back
Give it back
I gave you all my hand
Give it back
Give it back
Gave you all my hand

Give it back
Give it back, oh
Give it back
Give it back, oh

I gave you my hand
To hold it
My broken heart
Just gold it
Gave you my hand
To fold it
I gave you my hand
Give it back

Give it back
Give it back
Give it back
Give it back

Give it up
Give it up, oh (Give it back)
Give it up
Give it up, oh (Give it back)
Give it up
Give it up, oh (Gave you all my hand)

Give it up
Give it up, oh
Give it up
Give it up, oh
Give it up
