

Its Gone

Kaskade

It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone

Forever never lies in the moment
Love won't come alive 'til you show it
To take it is a sign of the moment
Everything is gone before you know it

It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone

When we started our slowmotion
Our promisses were real than we broke them
This may be your last wish spoken
'Cause everthing is gone before you know it

It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone

It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone

It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
It's gone, it's gone, it's gone, it's gone
