

# Let You Go

Kaskade

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

You are my love  
I'm missing of  
All the things you are to me

You are my friend  
You are the end  
It's true, when I see you smile

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

You are my love  
You are the joy  
With me wherever I go

When I look into  
Your perfect eyes I know  
I know, I know

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

Why would I ever?  
How could I ever  
Let you go?

Let you go?

Let you go?
