I'm letting go
'Cause now the feeling's got me

'Cause I don't want your body

I'm letting go
'Cause I don't want your body
Your body, your body
I don't want your body
(I don't want your body
I don't want your body)
I'm letting go
'Cause I don't want your body
I'm letting go
'Cause now the feeling's got me
