Kaskade

(More, more, more)
(A lit-, a little)

Chasing another oasis
At least that's what I'm betting
Seeking out turn on faces
How do I know if I'm settling?
And I wait and I wait and I wait
For the moment, 'til the moment's gone
Seeking out turn on faces
How do I know if I'm settling?

Is there anyone, anyone wondering
How much is enough?
Is there anyone wondering
How much is enough?

More, more, more
How much is enough?
More, more, more
How much is enough?

More, more (Hey), more
A lit-, a little (Hey)
More, more (Hey), more
A lit-, a little

Racing against my own vices
Probably been just a bit excessive
Don't even know how I'm like this
Wish I was a little less obsessive
'Cause I'm up and I'm up and I'm up
And I'm higher 'til I come back down
Fake a smile, yeah I tried it
Why can't I say congratulations?

Is there anyone, anyone wondering
How much is enough?
Is there anyone wondering
How much is enough?

More, more, more
How much is enough?
More, more, more
How much is enough?

More, more (Hey), more
A lit-, a little (Hey)
More, more (Hey), more
A lit-, a little
A lit-, a little
A lit-, a little

More, more (Hey), more
