

# Only You

Kaskade

It's you, only you can be  
Everything to me, only you  
And how I've tried to deny or hide  
Put away my pride, only you

I'll repeat this phrase through all my days  
With my last breath, only you  
I'll repeat this phrase through all my days  
With my last breath, only you

Only you  
(Repeat this phrase)  
Only you  
(Repeat this phrase)

Only you  
(Repeat this phrase)  
Only you  
(Repeat this phrase)

Only you  
(Repeat this phrase)  
Only you

Only you  
(Repeat this phrase)  
Only you  
(Repeat this phrase)

And it shows because my heart beats so  
I will always love only you  
Beautiful, so beautiful  
All this love is for only you

I'll repeat this phrase through all my days  
With my last breath, only you  
I'll repeat this phrase through all my days  
With my last breath, only you

Only you  
(Repeat this phrase)  
Only you
