

## Say Goodbye

Kaskade

I know  
I should say goodbye  
You're just no good for me  
Oh boy  
What am I gonna do?  
Can't seem to shake the likes of you

I know, I know

You're mean, you're rude  
I know, I-I kno-

I know, I-I kno-

I know  
I should say goodbye  
You're just no good for me  
Oh boy  
What am I gonna do?  
Can't seem to shake the likes of you

And so, my love  
My love so true  
There's hope for little me and you
